

# Give Back on Colorado Gives Day

**When you need help, our all-volunteer team will deploy the resources necessary to come to your aid.**

Overhead Command Staff

Command Vehicles

Professional Searchers

K-9 Search Teams

UAV (Drone) Teams

Medical Equipment

Technical Rescue Equipment

Technical Rescue Professionals

ATVs/Snowmobiles

Colorado Life Track

Douglas County Search and Rescue Team Inc., operates under the authority of the Douglas County Sheriff and is dispatched through the county's 9-1-1 system. We operate throughout Douglas County and provide mutual aid throughout Colorado. Along with backcountry searches and technical rescues, we conduct urban searches for missing children and at risk persons.

We rely upon your financial support to provide ongoing training, maintain and purchase equipment and supplies, and keep up with the latest technology and research.
