

THE NEW 2019 APPLE AWARDS

We've got some big news! The Apple Awards as we know it is transforming. The new nomination process and celebration events (yes, there will be two!) are going digital and will take the "stuff" out of the celebration. Read up on the changes and get ready for the new 2019 Apple Awards.

Reimagined

Nomination Process

Nominations are going **social** and will be posted publicly on a customized webpage for your school.

Nominations are now video or written **testimonials** - more personal, more powerful and visible to more people.

Share your testimonials easily. They can be downloaded or posted to **social media**. Let the humble-bragging begin! (You deserve it!)

Anyone over the age of eighteen can nominate, as well as students age 13 or older (with a parent's permission).

NOVEMBER 26, 2018
THROUGH JANUARY 11, 2019
NOMINATE AT:
foundationdcs.org/nominate

Reveal Party

This party is going to be more fun, **outrageous and epic** than ever before. We're ditching the long program and traditional venue. Instead you'll celebrate at the swanky Vehicle Vault with a crazy theme, live music, free drinks, dessert, dancing, door prizes and competitions. Oh. Yeah.

We'll reveal the 2019 Apple Award **winners** across the five educator and staff member of the year categories in a lively ceremony.

We'll offer the same **free tickets** to Apple Award Representatives and a **lower ticket price** for all DCSD employees, so you can bring your work besties along for the celebration.

2

APRIL 6, 2019
7:30 PM - 11:00 PM
VEHICLE VAULT
PARKER, COLORADO

Fundraising Gala

Designed to honor the 2019 Apple Award Recipients, a **formal program** will feature their incredible contribution to DCSD students in front of a business and community audience.

Students will be the stars of the show, serving as greeters, speakers, and entertainers - showcasing the talent and achievements of our students.

A silent and live auction combined with a higher ticket price will help the Foundation **raise significant funds** to support the 68,000 students and 98 schools in DCSD.
