

Welcome Back!

We're glad to be back and anticipating another fabulous year full of fun and exciting activities!

Ms. McCafferty enjoyed a summer of wedding planning. She was married in August and has become Mrs. Kurtz. This will be her seventh year at PCKCS and she's ready to blast off with a new group of students!

Mrs. Hamby enjoyed playing at the pool, hiking, and riding her bike, all with her two daughters tagging along. This is her sixth year with the PCKCS community. She has loved every minute of it and looks forward to **teaming up** with her students for a successful year!
